WHO ARE WE?

PURPOSE

Discovering the capabilities of each person when disability appears in the lives, and create opportunities for human diversity, involving society in charge which participation on equality.

VISION

Amica aims to be a reference for social innovation, sharing models which bring us closer to the Sustainable Development Goals, with the person as an active agent.

SYSTEM OF SHARED MANAGEMENT

Amica consists of
families, persons with
disabilities,
professionals and
partners.

**Model of support and
accompaniment to the
person in the
environment**

PERSONALIZED ITINERARY

With each person there is a personal itinerary tailored to their interests, needs and capabilities with the aim of promoting their personal development and social participation.

MODEL BASED ON PERSON'S CAPABILITIES

This itinerary is based on an accompaniment model based on a global and individualized support of people, seeking the approach of these resources to their environment and the essential family collaboration.

KEY FACTORS OF AMICA'S MODEL

KNOWLEDGE OF THE CAPABILITIES

1

know the capabilities and limitations of each person aswell as those their environment (personal, family, educational, training, community...)

ACCOMPANIMENT IN THE ENVIRONMENT

2

Maximize the autonomy of each person to achieve the personal goals. From childhood and adulthood preventing situations of dependence.

PROMOTION OF THE AUTONOMY

3

Get the person to enjoy of the basic rights of citizenship and participate with resposibility in the community.

PARTICIPATION WITH RELEVANCE

4

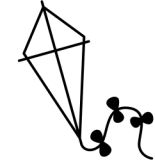

Organizate and coordinate with each person the support in the family, social, school, work enviroment to maximize their participation.

30 activities centers of supporting people
